THE CARDSHARP

10 episodes, 2013
CRIME DRAMA

During the peak of socialism in the 1980s, 27-year old Kostik Voloshyn dreams of escaping abroad. Not willing to “build the socialist society”, Kostik lives a double life; his job as a scientist at a research institute is merely a front for his card game hustling at which he is an expert. However, when Kostik wins a large sum from under the nose of Goga, a tough card player, he returns to Odessa to avoid reprisals. Hoping to ‘earn’ enough money to leave the Soviet Union for good, Kostik successfully swindles all his opponents with the help of his uncle, 45-year old Balaban, a leading gangster in Odessa. Kostik is unaware that it was Balaban who committed a serious crime twenty years ago for which his brother, Kostik’s father, was arrested. Balaban helped Kostik’s father to escape over the border, but the latter had no other choice but to leave his wife and little son to their fate in the USSR.

BATTLE FOR SEVASTOPOL

4 episodes, 2015

WORLD WAR 2, HISTORICAL DRAMA

The war catches a young student Lyudmila Pavlichenko off-guard in Odessa. She volunteers in the army and is moved to the front line after a brief stint in the sniper school. Her natural marksmanship and ability to keep calm under duress make her a true sharpshooter. Her personal hitlist is over 309 names long. But Lyudmila is severely shot, and her lover is killed in one of the battles. The girl barely manages to leave Sevastopol and is sent to USA as part of the government mission. In the White House, she is introduced to Eleanor Roosevelt, and her speech to the press makes her a household name in the states. "Gentlemen, you've been hiding behind my back for way too long" – two months after her famous speech, the Allies open the Second Front.

ONCE UPON A TIME IN ODESSA

12 episodes, 2011
ADVENTURE MELODRAMA

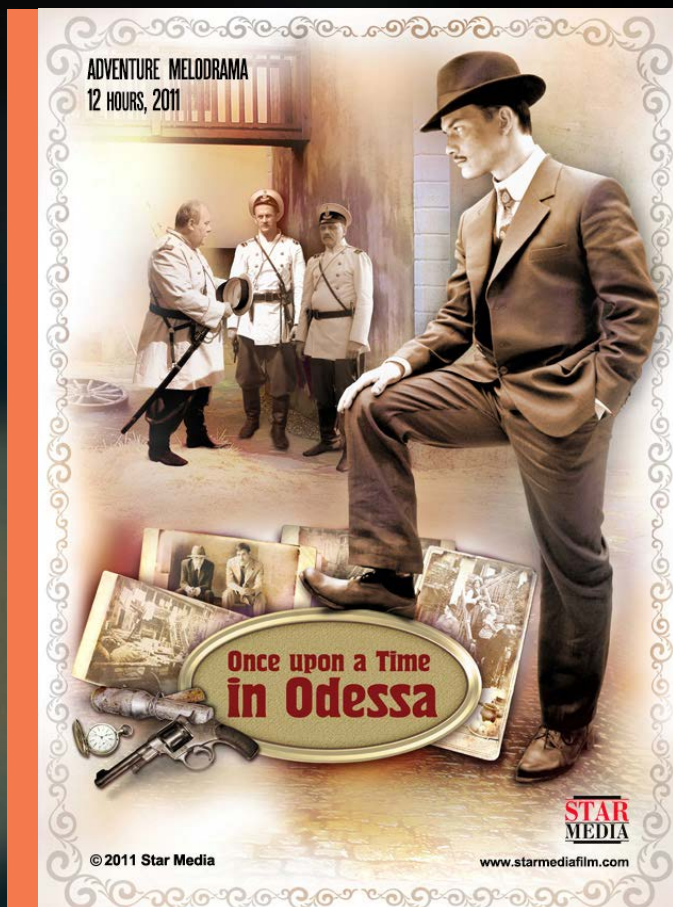

Mishka Yaponchik was a Ukrainian gangster, Jewish revolutionary and Soviet military leader. His commanding personality and unconventional nature led Isaak Babel to base his character Benia Krik in The Odessa Tales on this legendary criminal.

Born Moisei Vinnitsky, Yaponchik was an exceptional and eccentric character. He rose quickly through the ranks of the criminal world, becoming head of the mob and establishing his own code of conduct forbidding the robbing of the poor and professional classes. Hailed as the next Robin Hood, he held the hearts of the people in his hand and soon controlled the entire city.

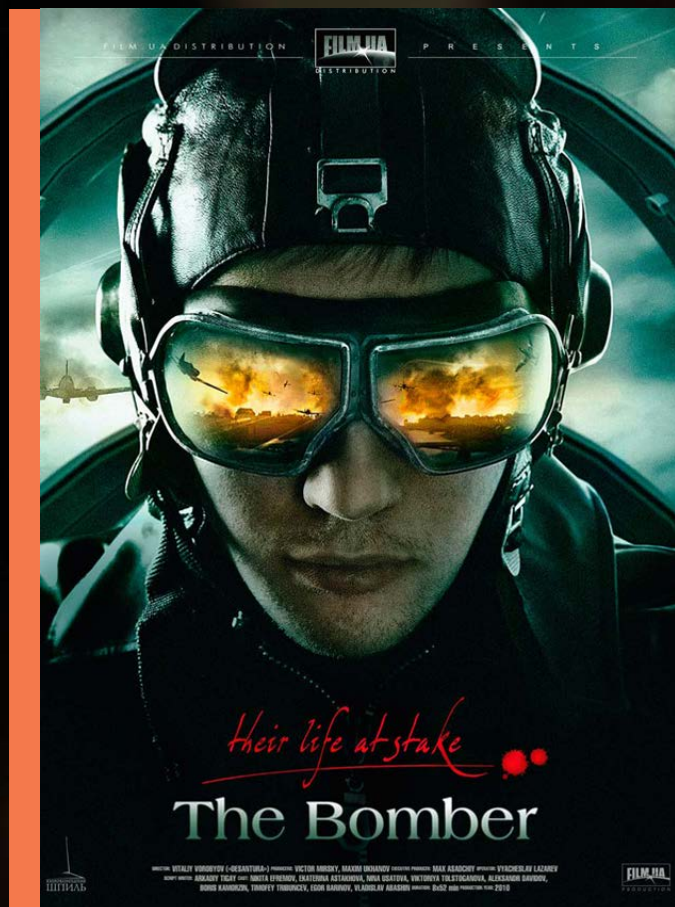

Artistic and witty, his bold crimes played out like mini dramas but Yaponchik, always calculating his next move, also had a generous nature. He held huge feasts for the whole population of Odessa, giving money and food to orphans, the homeless, the unemployed, newlyweds as well as families who had fallen victim to gangster crime.

Yaponchik was in power for only three years from 1917 to 1919, but these were the most dramatic years of his life, filled with more action than most people experience in an entire lifetime – his rise to power, his daring crimes, his idealism and generosity and his love of two women – his beautiful wife, Tsilia and anarchist Lisa, his loyal accomplice who remained by his side until the end.

WORLD WAR 2 DRAMA

World War 2. Young pilots, Leonid and Boris arrive at military air training school only to find that they have been enlisted to an air regiment and will be going soon to the frontline.

Unfortunately the young pilots fail in their first mission. Instead of covering the Soviet attacker planes, Leonid gushes from his formation to attack the German Messerschmitts. This causes a breach in the defensive formation and, deprived of protection, the attacker planes come under fire from the German fighters and everyone is killed. Back on the ground Leonid and Boris are sent to the division's headquarters where they are to be tried and executed. On their way to the place of execution, however, the commander of the attacker wing arrives at the military airfield and petitions personally for their release. Our heroes are given one last chance. Now they become attackers and will have to show responsibility and courage every moment of their service and execute the most complex of orders without hesitation or fear for their own lives.
